

## MAGIS EUROPE 2020 - **BREAD LIFE LOVE**

From **1st till 9th of August 2020** the Hungarian Province of the Society of Jesus in collaboration with other Jesuit Provinces and female Ignatian congregations will organize a summer Magis Europe 2020 event for young people. It's a **program for 18-35 years old youth**, who are interested in Ignatian spirituality, intended mainly for young people from Europe but young people from other continents are also welcome.

The meeting is divided in two parts: **Ignatian experiments** and the Closing event. The activities are designed to show young people the meaning of teamwork, to give them a sense of international community and to place them into unusual situations which contribute to their human and spiritual growth. Magis event offers a number of different experiments to choose from, grouped in several categories: Pilgrimage, Spirituality, Service, Arts, Ecology and Culture. The place of the experiments will be in Hungary and in the neighboring countries like Slovakia, Austria, and Romania. **The Closing event (7th - 9th of August)** will take place in Miskolc, Hungary where all the participants of Magis Europe 2020 will gather.

The central theme of the Magis 2020 event will be the **Eucharist**. Our slogan "Bread, Life, Love" is connected to this. We are inspired by the fact that in September 2020 the 52nd International Eucharistic Congress will be held in Budapest, Hungary and also from the first of the Universal Apostolic Preferences of the Society of Jesus: „to show the way to God". We would like to discover in depth the Eucharistic aspect of the Ignatian spirituality.

The language of the event is **English**, therefore a sufficient level of knowledge of the language is needed.
